

## Puppy School

### Scholarship Application Form

Puppy School offers a limited number of Puppy School New Tutor Scholarships to worthy applicants which will entitle the holder to a 50% reduction in the fee for their tutor training course, usually £1,350. This will result in the recipient paying just £675 for their training. Puppy School will provide the balance payment of £675. The additional £100 deposit (refundable when the tutor begins running training classes) will also be waived.

Please use the space below to give reasons why you feel that you should be considered for a scholarship. Once completed, please submit to the relevant Regional Manager or Puppy School Head Office (together with a standard Puppy School Tutor Application Form if you have not previously submitted one of these).

We endeavour to respond to all scholarship applications within 14 days of receipt of the application.

#### **Conditions:**

- Scholarships are available to new applicants only.
- Scholarships are only available for tutor applications, not for training to become an assistant to the tutor.
- Puppy School's decision is final and we are not able to discuss the reason for decisions with individuals.
- Applicants who are unsuccessful at securing a scholarship may or may not be offered a place on a tutor training course at the full fee of £1,350 (plus £100 deposit).
- Unsuccessful applicants wishing to re-apply for the scholarship must wait 12 months before submitting a further application.
- Scholarship offers are only valid for the next tutor training course and will not automatically be carried over to future courses should an applicant be unable to attend the given dates.

Please use the space below to give reasons why you wish to be considered for a Puppy School Scholarship – statements should not exceed 1,000 words.
